

# New Games 1982 Schedule of Trainings

## What Happens at a New Games Training?

**Twice weekly.** We begin to PLAY! Our games, "all" for ourselves, discussing our own ideas.

**Then we play "WITH" THE GAMES** to see how low they can be discussed to meet all future needs, for example, environmental, health or religious, age groups, members of friends.

**We learn how to REFLECT** or phrase our opinions so we can share the best of ourselves together.

**We practice our speaking at a COMMUNITY FESTIVAL** on Sunday afternoon. We explore through verbal interaction how to AFFIX New Games to our work settings.

**We discuss our own RECORDS** of our assignments for materials we take home.

**Most of all, we discuss** a "New Games" idea based on what is our shared perception. This is the development of New Games.

Through exploring our capacity for sharing fun, we discover the VALUE OF PLAY and are encouraged to pass it on to our friends, families, co-workers and clients.

**Twice weekly on Thurs 8:00 to 10:00 p.m., SATURDAY and SUNDAY.** The fee for the two weekly workshops is \$10 for the first person in a group and \$30 for each additional person in the group.

**Three-day trainings:** These trainings EXCEED on the two-day program. We take more time to explore the games, to work with each other and make New Games work and new records on a 3-day New Games program including a Festival on Sunday.

**One-time trainings:** run from 8:00 a.m. to 5:00 p.m., FRIDAY, SATURDAY and SUNDAY. The fee for the one-time workshops is \$10 for the first person in a group and \$30 for each additional person.
